BPP Learning Media. BPP Learning Media has become the benchmark for quality in professional education study materials. Today, tutors and students worldwide look to us as an essential support for success in professional qualification exams.

BPP Learning Media

Managerial accounting information is intended to serve the specific, and varied, needs of management. Business managers are charged with business planning, controlling, and decision making. As such, they may desire specialized reports, budgets, product costing data, and other details that are generally not reported on an external basis.
