The International Space Station (ISS) is a space station, or a habitable artificial satellite, in low Earth orbit. Its first component was launched into orbit in 1998, with the first long-term residents arriving in November 2000. It has been inhabited continuously since that date. The last pressurised module was fitted in 2011, and an experimental inflatable space habitat was added in 2016.

International Space Station - Wikipedia

Improvement Sketches, where available in Rockwall County, TX, are small drawings showing the outer dimensions of the improvement found on the property. These are usually residential homes, but sketches for some commercial buildings may be available. Sketches are useful in determining the square footage and footprint of a building or improvement.
