Four Of A Kind Valerie

"Valerie" is a song written by English indie rock band The Zutons from their second studio album *Tired of Hanging Around* (2006). Released as the album's second single on 19 June 2006 in the United Kingdom, along with their previous single "Why Won't You Give Me Your Love?", it gave The Zutons their joint-biggest single to date as well as their second UK top 10 single, climbing from number 41 ...

As a girl in England, Jane Goodall dreamed of traveling to Africa to study animals in the wild. In the summer of 1960, her dream brought her to the shores of Lake Tanganyika, to observe the wild chimpanzees at Gombe Stream. Other scientists did not believe that a 26-year-old woman could survive alone in the bush, but Jane Goodall did more than survive.

Some of the most often noticed mirids are, as would be expected, on the large side and also colorful. They resemble small beetles at a glance, especially the small and colorful leaf beetles. One of the prettiest mirids is the Four-lined Plant Bug (*Poecilocapsus lineatus*). It can also be quite a garden pest.
