Ground Zero: A Zombie Apocalypse by Nicholas Ryan Given ARC for an honest review. Definitely not my normal reading material, but thought I would give it a try. I'm not a fan of blood and gore, but once I got started reading, due to the storyline being so well written, I had a hard time putting the book down.

### **Ground Zero by Nicholas Ryan - Goodreads**

That only spiked my interest more, thinking that this guy Ryan has the zombie knack. I so wanted to love Ground Zero: A Zombie Apocalypse it sounded, from the summary, to have everything that is needed to be a truly great story. But sadly I didn't. Ryan tried to have a plot of terrorists attacking the United States with a zombie virus.
