My boyfriend is still in close contact with his most recent ex in a way which is troubling me. I know he has remained close to a few of his ex's which doesn't concern me at all (he has the right to be friends with anyone) but the most recent ex is still extremely needy. She sends him nasty texts ...

#1 She pays more attention to her phone than you. If you inevitably spend every dinner glaring at her as she pivots between various social networks and replies to every text message that springs up, don't be too quick to write her behavior off as a sign of the times. Its possible that she's on an online dating or hookup app like Tinder.

To prevent your children meeting your husband's new partner, you could apply for a Prohibited Steps Order under the Children Act 1989. You would have to convince the court that it is in your children's best interest not to meet your husband's new partner because she would have an adverse influence on them.
