Promises Hurt was a better read than I was expecting. It was one of those reads where I was expecting more drama, but I am really glad the author didn't go there. The story was sweet and I'm glad I got to know these two characters. Though be warned - it does end on a bit of a cliffhanger so have book two ready.

Promises Hurt (2000) ... \* ARC provided by the author for an honest review \* Promises Hurt by Elle Brooks was a great read. It had the right formula that we love in a good book: sexiness, tears, and a great story line. At points we were totally sobbing, but we couldn't put the story down! We couldn't wait to see what happened next!The story ...

Promises Hurt is the debut work from author Elle Brooks and, oh my, what a debut it was. From the synopsis alone I was intrigued and from the very first chapter I was hooked. More like addicted. I devoured this book and stayed up way too late reading but it was so worth every minute of missed slumber. I loved it.
