An American epic of science, politics, race, honor, high society, and the Mississippi River, Rising Tide tells the riveting and nearly forgotten story of the greatest natural disaster this country has ever known -- the Mississippi flood of 1927.

Rising Tide: The Great Mississippi Flood of 1927 and How ...

John M. Barry's Rising Tide: The Great Mississippi Flood of 1927 and How It Changed America is a surprisingly interesting take on efforts since the early 1800s to tame the largest and wildest river system in the country. These efforts have been the result of often-vicious debates among hydrologists that lend a human background to the story, and ...

Rising Tide: The Great Mississippi Flood of 1927 and How ...

Rising Tide: The Great Mississippi Flood of 1927 and How It Changed America. An extraordinary tale of greed, power politics, racial conflict and bureaucratic incompetence, Barry's saga begins in the 1870s as two influential engineers--James Eads, who built a Mississippi-spanning bridge in St. Louis, and army surveyor Andrew Humphreys--battle...

Rising Tide: The Great Mississippi Flood of 1927 and How ...

Rising Tide: The Great Mississippi Flood of 1927 and How it Changed America Summary & Study Guide Description. The vast flood covers a huge amount of land in water up to thirty feet deep, displacing about one million people in a nation of 120 millions. Flooded areas are roughly equal in size to Massachusetts, Connecticut,...

The Mississippi Flood of 1927 : NPR

Rising Tide is a book he would have read with great interest. It is full of history, political wrangling, statistics, engineering, poetry, thousands of claimants, and even a man in a white suit. Rising Tide is the story of a confederacy of mostly self-serving dunces; it is a tale of two cities (Greenville, Mississippi, and New Orleans,...

REVIEW - Rising Tide: The Great Mississippi Flood of 1927

Great Mississippi Flood of 1927. Jump to navigation Jump to search. The Great Mississippi Flood of 1927 was the most destructive river flood in the history of the United States, with 27,000 square miles (70,000 km²) inundated up to a depth of 30 feet (9 m).

Great Mississippi Flood of 1927 - Wikipedia

"A gripping account of the mammoth flooding of 1927 that devastated Mississippi and Louisiana

and sent political shock waves to Washington...Rising Tide is a brilliant match of scholarship and investigative journalism". -- Jason Berry, Chicago Tribune. TABLE OF CONTENTS

Rising tide : the great Mississippi flood of 1927 and how ...

David Herbert Donald. John M. Barry's Rising Tide is a highly original and absorbing book, which I found fascinating. His account of the great Mississippi River flood of 1927 brilliantly recaptures the panic, the desperation, and the suffering of one of the greatest natural disasters in American history.

Rising Tide: The Great Mississippi Flood of 1927 and How ...

Rising Tide: The Great Mississippi Flood of 1927 and How It Changed America A New York Times best-seller. In 1927 the Mississippi River and its tributaries flooded the homes of more than one million people. The flood brought with it a human storm: white and black collided, honor and money collided, regional and national power structures...
