Amazon.com: The Art of Description: World into Word ...

"Description is an ART to the degree that it gives us not just the world but the inner life of the witness," begins Mark Doty's essay Description's Alphabet. This whole book is good in terms of close reading and analysis, but the last essay is a must read for all poets, writers, and writing teachers.

The Art of Description: World into Word by Mark Doty

It ended up leaving me with a greater insight which is that poetry, and the art of description, is what is left in visual art when you strip away all references to the literary history of art—that desire to reflect or describe the seeing of a human experience that has affected the artist.

The Art of Description: World into Word by Mark Doty | Art ...

The Art of Description. "It sounds like a simple thing, to say what you see," Mark Doty begins. "But try to find words for the shades of a mottled sassafras leaf, or the reflectivity of a bay on an August morning, or the very beginnings of desire stirring in the gaze of someone looking right into your eyes. . . .

Take a guided tour of Baltimore, Boston, Chicago, Denver, Los Angeles, Nashville, New Orleans, New York City, and many other cities. We asked authors, booksellers, publishers, editors, and others to share the places they go to connect with writers of the past, to the bars and cafés where today's authors give readings, and to those sites that are most inspiring for writing.

The Art of Description: World Into Word | Poets & Writers

Miller uses description to clue the reader in on this world and to mark changes in the way the character is viewing the world around him. Describe What Your Characters Would Notice. Unless you're writing in omniscient viewpoint, chances are that you are filtering the setting (and background) through the eyes of your characters.

He argues effectively for description of the world and the inner experience of it, and the informing of each by the other. Doty also points to a critical problem with so much current poetry: "Startling, to go description-hunting and realize that I can thumb through whole books of recent poems with very little evocation of sense perception ...
