

The Victorian City Everyday Life In Dickens London Judith Flanders

The Victorian City Everyday Life

THE VICTORIAN CITY is a meticulously researched and very detailed book about London life during the time Charles Dickens walked its streets. The focus is mainly on the mechanics of daily life, and it gives an in depth look at everything, from how the streets were paved to the little amount of water each family had to take care of all their needs.

The Victorian family was considered to be a very valuable part of the everyday life throughout the era. Most often families were considered by today's standards to be very large. In 1870 you would find that the average household family contained five or six children.

Victorian Era Family Daily Life in England

A well-stuffed compendium on the transformational era in the history of London that fed both Charles Dickens' imagination and his well of outrage. From his first published work, Sketches by Boz (1836), set in pre-Victorian London, until his last, unfinished novel, Edwin Drood (1870), Dickens drew on the life and characters of his beloved city.
