Durham University (legally the University of Durham) is a collegiate public research university in Durham, North East England, founded by an Act of Parliament in 1832 and incorporated by Royal Charter in 1837. It was the first recognised university to open in England for more than 600 years, after Oxford and Cambridge, and is thus one of the institutions to be described as the third-oldest ...

Durham University - Wikipedia

Genetically modified food controversies are disputes over the use of foods and other goods derived from genetically modified crops instead of conventional crops, and other uses of genetic engineering in food production. The disputes involve consumers, farmers, biotechnology companies, governmental regulators, non-governmental organizations, and scientists.
